

Find Stark County's best college graduates

The ystark! Fellowship Program is a unique opportunity for leading undergraduate students searching for their first, salaried, full-time position following graduation. Local companies can utilize this fantastic recruiting tool to tap into and help foster emerging talent. Participants will be provided with a total immersion experience: work, social, community activities and service, and leadership training.

Mission

Retain Stark County's best college graduates through an organized training program which promotes the leadership qualities of its participants and roots them in the region.
