OUR MISSION: To lead the region in business and community development through collaboration and innovation.
Rated **Best** Medicare Advantage Plan in Ohio!

PrimeTime Health Plan is the ONLY Medicare Advantage Plan in Ohio to receive this rating.

PrimeTime Health Plan is an HMO-POS plan with a Medicare contract. Enrollment in PrimeTime Health Plan depends on contract renewal.
Due to a rapid increase in COVID-19 cases, and for the safety of our guests, speakers, sponsors and staff, we are postponing Utica Downstream to Thursday, Feb. 25, 2021. Attendees may choose to attend in-person or virtually.

The conference has always focused on Ohio’s reputation as being the polymer capital of the United States. But this year, the demand from plastics is greater than it has ever been as the result of the virus. Our conference will have experts that will discuss the outlook plastics nationally and in Ohio as well as the most recent initiatives on recycling.

Our conference will not be complete without discussing natural gas power plant construction. A number of power plant construction plants were shelved as the result of HB 6. With revelation of fraud and corruption attached to that bill, there is now a move to rescind it. If HB 6 is rescinded, those cancelled natural gas power plants could see new life. The Utica Downstream Conference will provide the latest information on this topic.

Sponsorships are available: please contact Chris Gumpp at (330) 458-2055 or chrisg@cantonchamber.org. Due to COVID-19 event is subject to change. Please visit our website for updates.

During the first two decades of the 21st century, more than ever before, businesses have been touting their brands. In doing so many of those businesses have been focusing on brandishing their logos or brandmarks, making them the centerpieces of their public identities. That’s understandable since businesses have invested in creating their logos or brandmarks - often supplemented with taglines - and show them on everything from business cards to website homepages to signage and so on.

Too few of those businesses have been sufficiently emphasizing what, in fact, constitutes a brand. It is far more than an icon. Some businesses - both for-profit and non-profit - understand that. They are the ones that embrace the enduring reality that a brand stands as the composite of innovation, superior product design, quality engineering, manufacturing, attention to detail in all facets, reliability, superior customer or client service, integrity, community involvement and respect.

Aggregate all those factors and one sees that a brand, at its core, is reputation. That concept - that reality - is fully embraced by companies that have prospered, weathered difficult economic times, stand the best chance of taking on a range of challenges, and winning the enduring loyalty of customers, employees, suppliers and other valued constituents.

How do you assess the strength of your brand? Its respect?

One service SCORE provides is serving as a sounding board for clients who would value an outside-in perspective on their brands and actions that can be taken to strengthen them.

You can learn more about SCORE at www.canton.score.org or emailing cantonscore@gmail.com.

The Canton Regional Chapter of SCORE serves for-profit businesses and non-profit organizations in Stark, Tuscarawas, Holmes, Harrison and Carroll counties.

Our local manufacturers want you to know that manufacturing is alive and well in Stark County and in NE Ohio. Manufacturing is a viable career pathway, and that message is one of the driving forces in the newly created Stark Manufacturing Workforce Development Partnership. Industry Sector Partnerships (ISP) are a proven workforce development strategy that put employers in the driver’s seat and have demonstrated effectiveness across the country. Manufacturers within a regional labor market work together to influence alignment around common solutions with education and training, economic and workforce development, and community organizations.

We are happy to report that after collective efforts by the Chamber, MAGNET and SEDB to convene local employers, a Stark Manufacturing Workforce Development Partnership has launched. The Ohio Manufacturer’s Association is facilitating early discussions with a group of Stark County thought leaders in manufacturing. In less than two months the group has identified immediate priorities, opportunities and actions that promote manufacturing as a career pathway.

The key components of an Industry Sector Partnership (ISP) include:

- Led by employers – to ensure the system is truly employer-led demand-driven and will lead to better outcomes for individuals.
- Focused on a single industry – to allow employers to connect with peers from their own industry, identify needs beyond basic workplace skills, and dive deeply into the technical needs of the industry.
- Regional – to address unique needs of subsectors while reflecting the true dynamics within a regional economy.
- Convened by a neutral intermediary – to align all relevant partner programs and resources as solutions to identified industry needs.

The graphic at the top of the page depicts the elements of an Industry Sector Partnership (ISP).

The Stark Manufacturing Partnership will reach out to education, training, community and workforce organizations in the coming weeks and months to initiate, strengthen and augment these strategic partnerships in order to build a robust manufacturing talent pipeline system.

Due to COVID-19, we’ve received a spike in requests from small business members who are struggling to renew their dues. We are asking members who are in a positive position to consider providing assistance through our “Members Helping Members” program.

Here’s how you can help members in need as we weather the pandemic:

• Consider donating $310 (our basic small business membership), or your own specified amount, along with your annual dues payment. You’ll see a “Members Helping Members” line on your invoice or when you pay online. Any funds will go toward covering the dues of a member who simply can’t renew this year.

• Go anytime to cantonchamber.org/members-helping-members to donate.

We’d like to give a special thanks to these companies who already donated and helped save the Chamber memberships of eight small businesses:

• Buckingham, Doolittle and Burroughs LLC
• Buxton Roofing, LLC
• Consumers National Bank
• Ziegler Bolt & Nut House
• Orwick’s Tree Service, Inc
• Hardesty Partners

New COVID-19 relief programs are available for small businesses and non-profits, including a $900 billion stimulus package and second round of Paycheck Protection Program (PPP) loans.

We are honored to be joined by U.S. Congressman Bob Gibbs (OH-7) along with Gil Goldberg, District Director, and Mark Hansel, Lender Relations Specialist, from the U.S. Small Business Administration’s Cleveland District Office for an informative webinar on the latest on COVID-19 relief options, as well as a brief Q&A:

• Latest stimulus package details (passed/signed into law in December 2020)
• Changes to the PPP and EIDL relief loan programs
• PPP first & second draw loan applications
• PPP loan forgiveness
• Additional federal relief programs for businesses affected by the pandemic

The Canton Regional Chamber of Commerce and AultCare have partnered together to offer a healthcare plan for the small business community through a Multiple Employer Welfare Arrangement (MEWA).

The MEWA was developed to provide additional options and to help control the costs of healthcare benefits. Medically underwritten MEWA rates may provide a less expensive option than a smaller community rated plan obtained under the Affordable Care Act (ACA). This plan is available for small group employers with less than 50 employees.

### Product Overview
- Small group coverage
- Self-funded plan with fixed monthly payments
- Groups are not subject to ACA community rating
- Benefits administered by AultCare
- AultCare Provider Network

### Eligible Employers
- Under 50 eligible employees
- 75% minimum participation requirement
- 50% minimum employer contribution for single coverage
- Member in good standing with the Canton Regional Chamber of Commerce

### Benefit Plan Options
- 14 plan options
  - Traditional co-pay plans
  - Consumer Driven Health Plans/Health Savings Account (HSA) Compatible
- Ancillary Product Offerings
  - Dental Coverage
  - Vision Coverage

For Chamber Membership information call 330-456-7253. For healthcare or health fund information, contact your independent Broker or your AultCare Representative. All AultCare health plan quote proposals include commission, unless otherwise specified.
Join a Tip Club and Grow Your Business Leads in the New Year!

Join a tip club for weekly networking meetings, and exchange sales leads or “tips” with fellow chamber members in a wide variety of industries!

Joining a tip club is free for members – just sign up, attend a casual breakfast or lunch, and pay for your meal each week! Clubs are facilitated by Chamber staff or Chamber Ambassadors. Breakfast clubs begin at 8:00 am; lunch clubs begin at noon.

Canton Inc.

Request Copies of Canton Inc. Magazine

A new issue of Canton Inc., an economic development publication that showcases why Stark County is a great place to do business, is now available. The Canton Regional Chamber of Commerce and Gannett/The Repository produce this magazine twice yearly.

By showcasing the business landscape here in Canton, through rich business features and highlights on education, transportation, health care, quality of life and more, we hope to attract new businesses, increase business growth locally, and change the perception of our region.

Need additional copies? Individuals or businesses can request copies by calling the Canton Regional Chamber at 330.456.7253.
Applications Are Now Available

Leadership Stark County Signature Program

In the 35th Class Signature Program you’ll join a multi-generational team of individuals from all professional walks who will spend more than ten months together developing their leadership ability and delving into the assets and challenges present in Stark County. This group is selected from highly qualified applicants to form a class that is rich in professional, cultural, and ideological diversity.

Leadership Stark County has taken concrete steps to challenge racism, embrace change, and accept ideas that are uncomfortable. Our programs have amplified efforts to both recruit minority class participants and increase minority representation among committees, facilitators, and guest speakers. In addition, we are able to offer scholarship opportunities specifically for persons of color and minority applicants. The scholarship application form is incorporated into the Signature Program application so it’s easy to request tuition assistance.

Signature Program members:

• Learn more about themselves as they **Discover their Strengths** through Gallup curriculum
• Discover more about the community through **ten interactive program days** that span the county and a range of critical themes
• Identify ways to **Strengthen Stark County** through active participation in the Building Better Boards seminar and Board Matching event among other experiences
• Gain in-depth insight into **leading teams** in their careers and community endeavors through examination of leadership competencies

The program begins with an overnight retreat and meets for 10 full-day sessions once per month. Tuition is $2,950 all-inclusive and tuition assistance is available for non-profit or small business participants.

Apply online at www.LeadershipStarkCounty.org. Applications are due April 16. If you have more questions about our programs, please call Stephanie Werren, director, at 330-458-2093.
The Leadership Stark County Spotlight Program is now taking applications from young professionals in their 20s and 30s, who want to build leadership skills and dive deeper into their community engagement. Participants will identify and develop personal strengths, gain exposure to numerous community leaders and organizations, and explore issues and opportunities in our community. For Stark County to adapt and thrive, it is essential that young professionals work, play, & stay in our community. The Spotlight Program can be a key element to helping young professionals learn all that our community has to offer, make connections with a variety of people, and find their niche for meaningful service.

**Spotlight young professional class members will receive:**

- Personalized GallupStrengths Assessment
- Programming founded on the six Leadership Competencies
- Professional headshot (digital file)
- Community service opportunity
- Introduction to non-profit leaders and causes
- Exposure to community arts & culture
- Downtown development & historical background
- Opportunities to explore local economic development initiatives
- Diversity and inclusion-focused sessions
- Networking opportunities with like-minded young professionals

The Spotlight Program is a great option for employers to enhance leadership potential and build competencies of young professionals. The course includes six sessions that meet (mix of in-person and virtual programming) from 4-6 p.m. beginning on **Wednesday, March 24, and ending on Wednesday, May 26.**

Tuition for the six sessions is $550 per person. Scholarships may be available to non-profit organizations, entrepreneurs, and/or minority candidates. Company group applications are welcome. Class size is restricted due to social distancing requirements. Apply now at www.LeadershipStarkCounty.org.

GET TO KNOW THE YOUNG PROFESSIONALS WHO WILL SHAPE THE FUTURE OF CANTON/STARK COUNTY! EACH MONTH, WE’LL INTRODUCE YOU TO A YP WHO IS LIVING OR WORKING, BUT MOST IMPORTANTLY, THRIVING IN STARK COUNTY!

Name: Bayley A. Porter

Occupation/Title/Place of work: Coordinator, Partnerships and Events

Hall of Fame Village powered by Johnson Controls

Age: 23

Why are you interested in Stark County’s Young Professionals initiative?
I feel this is a great way to make connections with other people in my community and learn more about the companies they work for.

What would you share to encourage other people to join?
I would share how important it is to make connections within your community and how important it is to get involved.

Did you grow up in Stark? If so, where? If not, where did you move from and why?
Yes, born and raised here in Stark County.

Why do you stay in Stark County, from both a personal and professional point of view?
My entire family lives here in Stark County. Family is the most important thing for me. My job at Hall of Fame Village powered by Johnson Controls is my dream job and I hope to see the Village develop right in front of my eyes and see it grow everyday.

What do you like MOST about Stark County?
I love the small town community feeling while being a big area. It is that place that no matter where life takes you, you always return back to Stark County because it is a forever home.

What would you change about Stark County if you could?
I wish people saw how special this area is. How much character and history Stark County holds. We have so much to offer but people who tend to live here, especially younger generations, cannot wait to leave because they do not see how special Stark County really is and all the opportunities it has to offer.

What do you see as valuable opportunities for YPs in Stark County when it comes to career opportunities, cultural access, leadership or community involvement opportunities?
Getting involved in any way possible. Whether that be volunteering, or visiting local restaurants or museums, or even joining organizations. Meeting new people is never a bad thing. I truly believe you learn something important from every person you meet.

What would attract more YPs to Stark County?
More activities that can get young professionals out into the community. Something that will get them involved with the area and learn how special this area truly is.

What do you do in the evenings or on the weekends for fun in Stark County or NE Ohio?
One of my favorite events is the First Friday. I love the atmosphere and being in the heart of downtown Canton with friends and family.

Could you see yourself spending your lifetime in Stark County and if not, what would cause you to leave?
I see myself spending my lifetime in Stark County. Staying close to friends and family is so important to me and I see this county as my forever home. Even when I was away for college coming back to Stark County was always the plan.
