Identify and Eliminate Hazardous Workplace Conditions with Proper Training

REPORT THAT ACCIDENT! or NEAR MISS!

Join Randy Martin and Emmy Elkins of Beaver Excavating Company at the next Safety Council luncheon and learn what a near miss is, why they're important and how reporting near misses can help eliminate hazardous workplace conditions.

All incidents, whether a near miss or an actual injury-related event, should be investigated. Near miss reporting and investigation allow you to identify and control hazards before they cause a more serious incident.
