## How to stay safe in a **HOSTAGE SITUATION**

In today's society, there's a chance you could be a victim in a hostage situation. It could happen any where - workplace, malls, churches, schools, hospitals and even your home. How you react makes a big difference in the survival rate for your loved ones and yourself.

Join us for the January Safety Council luncheon featuring **Garry Money Penny**, Retired Chief Deputy, a 37-year law enforcement veteran who has handled numerous of these types of situations. Garry is a leading authority in hostage negotiations. Learn what you can do to help protect yourself and others during and after a crisis.
