**The mission of the Canton Regional Chamber of Commerce is to serve our diverse members with valued programs and cultivate economic growth and community vitality through regional collaboration.**

Our values are **Service; Team; Collaboration; Innovation** and **Integrity**.

You will find all these values on display during the Chamber Clay Classic. Joining a shooting team gives our members the opportunity to network and connect not only with your foursome but with a diverse cross-section of members from the community. Integrity is the essence of not only golf but building a successful business. And it never hurts to have fun while building new friendships and relationships.

We hope you have an enjoyable experience if it's your first or 50th time clay shooting, win some awesome raffle prizes and make some valuable connections with other members that you can strengthen in future chamber events.

As always, the Chamber team is ready to assist you and your business as you grow both personally and professionally!

- 1 Lean slightly forward
- 2 Press cheek to the stock of the gun
- 3 Keep gun firmly to the shoulder
- 4 Hold opposite hand under forearm

## Shooting tips

Train your gun on the clay pigeon as soon as it's thrown, then pull away and aim slightly ahead of the pigeon's flight path before firing. Keep the gun moving through your shot.

The pigeon's flight path will remain consistent, so practice several shots with varying lead times until you hit it.

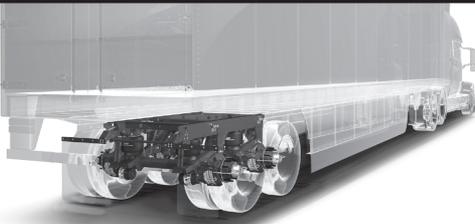

one open door can  
open doors across a  
community.

Our most important work happens outside the four walls of our bank. KeyBank gets involved, supporting people who make a difference and working with community-focused organizations through investments, philanthropy, and volunteering. We believe that together we can keep our communities full of hope, compassion, and opportunity, one open door at a time.

KeyBank thanks the Canton Regional Chamber of Commerce for making a difference.
