*The Quarry Golf Club*

# Welcome

## **to the Canton Regional Chamber's Spring Classic Golf Outing presented by Farmers National Bank.**

We're glad to have you with us for a day that brings together business leaders, community partners and friends from across our region. Events like this continue to be an important part of strengthening relationships and creating the kind of connections that help businesses and communities grow.

There's something timeless about a golf outing. Some of the best conversations happen between holes, during a shared laugh after a bad shot or while celebrating a great one. The pace of the day allows people to step away from the usual routine, spend time together and build relationships in a more genuine way.

That spirit of connection matters. Strong communities are built through relationships, collaboration and people who continue to show up and invest in one another. We're fortunate to have a business community that values those things and supports opportunities to come together throughout the year.

We hope you enjoy your day at The Quarry, make a few new connections, strengthen existing ones and have some fun along the way. Thank you for being part of today's outing and for your continued support of our regional business community.

Best of luck on the course, and enjoy the day ahead.

A handwritten signature in black ink, appearing to read 'Jeff Dafler'. The signature is stylized and fluid, with a long horizontal stroke extending to the right.

Jeff Dafler
