SPONSORSHIP

Guide

THE POWER OF REACH

Sponsoring a Chamber event gives your business visibility that goes far beyond the event itself. Each event is promoted on the Chamber website, in email and newsletters, and across social media. Your brand is seen before, during, and after the event, which helps keep your business top of mind with people across Stark County.

Your sponsorship also positions your business as a community leader. Greater visibility strengthens brand recognition, supports your recruiting efforts, and opens the door to new relationships.

Many sponsorships include logo placement, speaking opportunities, or on-site engagement. These benefits give you a chance to highlight your products or services in a direct and memorable way. Sponsorships are limited and often sell out, so securing your spot early ensures your brand is featured throughout the full promotional cycle.

CULTIVATING GROWTH - \$5,000

Cultivating Growth embodies the Chamber's enduring commitment to economic and community development. This initiative emphasizes collaboration and innovation to strengthen our regional economic ecosystem. Over the years, our strategies have evolved to meet the dynamic needs of our business community. Just as economic development looked different in 1914 than it does in 2026, it will continue to evolve through 2026 and beyond. *With the support of community leaders, the Chamber has identified three strategic priorities to guide our efforts from 2025 to 2030:*

Regionalism: Break down barriers to regional collaboration across Stark and adjacent counties by building stronger connections to other chambers, business associations, community organizations, and government entities.

Workforce Development: Help attract, retain, and develop the workforce our employers need by partnering with regional educational institutions, economic development organizations, government entities, and community groups to design and implement innovative programs and initiatives.

Economic Development: Facilitate direct economic development support to Chamber members, especially for businesses in the non-traded-goods sector, by connecting them to grants, incentives, financing, and other resources to fuel their growth.

Our five-year plan outlines a roadmap to drive success in these key areas. By diligently implementing these goals, we will deliver measurable progress year over year. As we transition into the next era of *Cultivating Growth*, we are committed to transparency and collaboration. By becoming a *Cultivating Growth* investor in 2026, you will have the opportunity to participate in quarterly investor calls. These exclusive sessions will offer insights into our progress, highlight quarterly accomplishments, and provide a forum for your questions and input. To show our gratitude, in 2026, your logo will be featured in marketing materials, announcements, events, and programs related to advancing regionalism, workforce development, and economic development. Your investment directly provides the resources we need to achieve our ambitious goals.

AKRON-CANTON ADVOCACY ALLIANCE

Amplify Your Voice. Strengthen Our Region.

The Akron-Canton Advocacy Alliance (ACAA) brings business leaders, elected officials, and policy experts together for meaningful conversations on the issues that shape our region's economic future. Through the Countdown to 2026 Series and signature events including the ACAA Day in Columbus and the Candidates Conference & Leadership Reception, these efforts connect the business community directly with key decision makers at all levels of government.

Over the past year, ACAA events have welcomed more than 25 policymakers, including U.S. Senators Jon Husted and Bernie Moreno; U.S. Representatives Emilia Sykes, Max Miller, Mike Rulli, Shontel Brown, Dave Joyce, and Mike Carey; Senate President Rob McColley and (former) House Minority Leader Allison Russo, and many others. Our members gain exclusive access to state and federal leaders while helping influence the policies that impact our business climate.

Why Sponsor the Countdown to 2026 Series:

Becoming an ACAA Series Sponsor means your organization will be recognized year-round as a champion for business advocacy and regional growth. With approximately 10–12 events annually, your brand will be front and center with hundreds of business and government leaders across the Akron-Canton region throughout the year.

ACAA EVENTS:

COUNTDOWN TO 2026 SERIES (~40-50 attendees)

These series events are held throughout the year to address timely policy and business issues.

ACAA DAY IN COLUMBUS (~100 attendees)

The Akron-Canton Advocacy Alliance (ACAA) is hosting the ACAA Day in Columbus to connect members with key government officials and activities unfolding in Ohio's capitol. This unique event will provide members with exclusive opportunities to interact with key decision-makers and officials on the forefront of the State Operating Budget and other important legislative and administrative activities. The day will feature a series of speakers and Q&A sessions and include two meals.
