LETTER OF INTENT · 40 FOR 40

HELP THE NEXT GENERATION TAKE FLIGHT

LSC40

For 40 years, Leadership Stark County has brought together people committed to making our community a stronger place to live, work, and grow. From businesses and nonprofits to schools and neighborhoods, our alumni are creating lasting change throughout Stark County.

On Thursday, May 6, 2027, we'll celebrate four decades of leadership and community impact at Akron-Canton Airport. As we honor our past, we're investing in the leaders who will shape our future.

We invite your organization to join us as one of our 40 for 40 sponsors.

Your investment will directly support leadership scholarships and new programs, expanding access to opportunities for the next generation of Stark County leaders.

Together, we can build on 40 years of impact and help tomorrow's leaders take flight!

With gratitude,

THE LEADERSHIP STARK COUNTY TEAM

A Department of the Canton Regional Chamber of Commerce
